Education

Louisiana State University, Baton Rouge, LA
Bachelor of Science in Information Systems and Decision Sciences
Expected May 2027

Experience & Accomplishments

Fighter Aircraft Debrief

United States Air Force, Goldsboro, NC | Mar 2022 – Jan 2023

- Maintained mission records and prepared operational reports for leadership - Integrated intelligence data into mission planning to support operations
- Led debrief sessions to communicate performance insights and outcomes
- Earned Unit Quarterly Work Ethic Award (Q3 & Q4 2022)

Avionics Technician

United States Air Force, Kadena AB, Japan & Goldsboro, NC | May 2017 – Mar 2022

- Inspected, repaired, and installed aircraft electrical systems and components
- Diagnosed system malfunctions using testing equipment and technical manuals
- Maintained high-value aircraft systems requiring precision and accountability
- Performed scheduled and unscheduled maintenance to ensure mission readiness

Cybersecurity Intern

Remote | Feb 2023 – May 2023

- Conducted security reviews to identify potential system vulnerabilities
- Assisted in evaluating risks and recommending basic security improvements
- Reviewed incidents and supported development of mitigation approaches

Projects

- Designed Entity Relationship Diagrams (ERDs) and translated them into relational database schemas
- Built and managed databases using MySQL, Azure, Ubuntu, and DBeaver - Wrote SQL queries to create tables, insert data, and manage relationships - Developed ER models and implemented them into working database structures
- Built and deployed a personal website using GitHub Pages (brandon-knight.com) - Used Git and GitHub for version control, including commits, push/pull workflows, and pull requests
- Analyzed datasets using Python (Pandas, Matplotlib) to identify trends and patterns
- Used Jupyter Notebook for data analysis and visualization workflows

Technical Skills

- SQL (MySQL), Python
- Pandas, Jupyter Notebook, Matplotlib
- Azure, DBeaver, Ubuntu
- Git, GitHub (version control, pull requests, push/pull workflows)
- Data Analysis, Database Design, ER Modeling
- Microsoft Excel, Word, PowerPoint

Additional Education & Training

Community College of the Air Force, Wichita Falls, TX
Avionics Systems Technology | Completed Jan 2018
